PROJECTS

PROGRAMME LEAD · 8 MONTHS

UNG KULT CAMP 2026

Part of the youth programme at the national culture festival: I hired the acts, handled their contracts and needs, built the festival space and ran the stages.

RESEARCH PLACEMENT · 4 MONTHS

PERMAKULTUR DANMARK

Kaospilot, semester 4

How permaculture principles translate into leadership, so organisations can be built with a regenerative mindset instead of an extractive one.

INTERNSHIP · 3 MONTHS

GIRLS GOT GAME

Community platform

I built a Notion platform for the community's members and owners, and helped sharpen the vision, mission and goals.

SYSTEMIC PROJECT · 3 MONTHS

RIZOMA

Cooperative in Lisbon · Kaospilot, semester 3

FREELANCE · 1.5 YEARS

I pitch brands, agree on style and tone, then script, film and edit short-form video. See my UGC portfolio ↗

OTHER ROLES AND SCHOOL

EDUCATION · 2024–27
